2. Ambassador Korry recommended that State Department take no action on GOC request to use \$1.3 million for cattle purchase. He believes that approval of this request would be widely interpreted as de facto U.S. aid for Allende.

3. Santiago Station reported that PCCh concerned that an attempt will be made to assassinate Allende in order to provoke a military coup. [REDACTED]

[REDACTED] that an unnamed rightist is behind a plot to assassinate Allende.

B. Accomplishments:

Economic, political and psych warfare continues in effort to deny Allende the presidency. We reviewed with Station our diverse efforts to create a coup climate. This review underscored the three main thrusts of our program to: a) force Frei to act; b) create an atmosphere in which he or others can act successfully; c) assist in creating the pretext for a coup.
